

Document: Terms & Conditions

Effective Date: August 8, 2026 | Last Updated: August 8, 2026

Welcome to **Roommate NG** ("we," "our," or "us"). These Terms and Conditions ("Terms") govern your access to and use of our website (roommateng.com), profile submission forms, matchmaking algorithms, ambassador networks, and peer introduction services (collectively, the "Service").

By completing a profile, submitting housing preferences, registering as an ambassador, or making payments on our platform, you confirm that you have read, understood, and agreed to be legally bound by these Terms.

1. Scope of Service & Platform Role

Roommate NG operates strictly as an **introductory matchmaking platform** designed to connect compatible individuals looking for shared housing, co-tenancy arrangements, or roommates in Nigeria.

A. Introductory Role Only

- **Not a Real Estate Agency:** Roommate NG is not a real estate agent, landlord, property manager, or legal housing broker.
- **No Property Ownership:** We do not own, inspect, lease, verify title deeds, or guarantee the physical condition, safety, or legal status of any apartment or property mentioned by users.
- **Matching Logic:** Introductions are made based on user-submitted preferences (e.g., location, budget, lifestyle habits, move-in timelines).

2. User Representations & Eligibility

By creating a profile or using our Service, you explicitly represent and warrant that:

- You are at least **18 years of age** or possess legal capacity to enter into binding housing agreements under Nigerian law.
- All information provided in your profile—including budget, employment status, identity, and lifestyle choices—is truthful, accurate, and up to date.
- You will not impersonate any person or provide false contact details or fraudulent referral codes.
- You will use the platform exclusively for lawful housing and roommate connection purposes.

3. Double-Opt-In & Introduction Fee Policy

How Introductions & Payments Work

Matchmaking operates on a double-opt-in basis. Potential roommate profiles are shared anonymously. Direct contact information is released only after both parties approve the match preview and the introduction fee is completed.

- **Introduction Fee:** Roommate NG charges an introduction service fee to process and facilitate direct contact sharing (via WhatsApp/Phone) between approved candidate matches.
- **Payment Processing:** All introduction payments are processed through secure **Paystack** checkout API links or webhooks.
- **Refund & Guarantee Policy:** Introduction fees cover the administrative cost of sourcing, filtering, and coordinating direct contact sharing. Fees are non-refundable once direct contact details have been successfully delivered to both parties, regardless of whether you ultimately sign a lease together.
- **Failed Matches:** If a match declines the connection request prior to contact exchange, no fee is charged or an alternative match credit will be issued.

4. Ambassador Program Terms

Users who register for the Roommate NG Ambassador Portal agree to the following terms:

- **Unique Code Usage:** Referral commissions are paid only for sign-ups verified through your valid referral code (e.g., GOODNESS01) upon completion of a paid match milestone.
- **Commission Structure:** Payout rates, eligible actions, and payout thresholds are detailed inside the Ambassador Dashboard and may be updated periodically.
- **Prohibited Practices:** Ambassadors must not engage in spam, misleading advertising, unauthorized branding, or false promises regarding housing availability. Violation will result in immediate termination of ambassador privileges and forfeiture of accrued commissions.

5. Safety Disclaimer & Due Diligence Required

While Roommate NG verifies contact authenticity, we do not conduct formal criminal background checks, credit checks, or property title verifications on users or apartments.

Mandatory Safety Guidelines for Users:

- **Public In-Person Meetings:** Always arrange your initial meetings with potential roommates in well-lit, public locations.
- **Property Verification:** Independently verify landlord identity, property ownership, tenancy agreements, and physical apartment conditions before paying rent or security deposits to any party.
- **Financial Caution:** Never send rent money or lease deposits directly to a potential roommate unless legal contracts are verified and signed in person. Roommate NG is not liable for financial loss incurred through private tenant transactions.

6. Code of Conduct & Prohibited Activities

Users agree not to utilize Roommate NG to:

- Harass, stalk, abuse, or send unsolicited commercial messages to matched individuals.
- Post or transmit fraudulent, discriminatory, offensive, or illegal housing requests.
- Bypass platform mechanisms to collect user data or operate unauthorized third-party matching services.

7. Limitation of Liability

To the maximum extent permitted by Nigerian law, Roommate NG, its owners, operators, affiliates, and employees shall not be liable for any direct, indirect, incidental, special, or consequential damages resulting from:

- Incompatibility, disputes, or interpersonal conflicts between matched roommates.
- Financial fraud, rental scams, or lease breach executed independently by users or third-party landlords.
- Physical injury, property damage, or loss suffered during property viewings or co-living arrangements.

8. Termination of Service

We reserve the right to suspend, archive, or permanently remove any roommate profile or ambassador account without prior notice if we detect fraudulent activity, breach of these Terms, or harassment reported by other platform users.

9. Governing Law & Dispute Resolution

These Terms shall be governed by and construed in accordance with the laws of the **Federal Republic of Nigeria**. Any disputes arising from or in connection with these Terms or the Service shall first be attempted to be resolved amicably through good-faith mediation with the Roommate NG support team.
